BAB
ALUMINIUM

WELCOME TO BAB ALUMINIUM

BAB Aluminium is the leading manufacturer of low cost, long life aluminium seating in Australia.

BAB Aluminium seats are found in school playgrounds and parks across Australia and New Zealand. BAB Aluminium seating solutions come in a range of styles, sizes and colours that can suit every situation.

Our Aluminium seating applications include Infant, Primary and Secondary Schools, TAFE and Universities, Parks and Ovals, Sporting Arenas, Tiered Stadiums and Grandstands, Bowling Clubs, Council Parks, Public Areas and Hospital Grounds, Swimming Centres and Backyards.

WHY BUY FROM BAB ALUMINIUM

We are the manufacturer of the original 'ALCAN' (now CAPRAL) seating system that commenced in the 1980's.

We have extensive manufacturing experience across our 40 years of manufacturing aluminium products for our clients. You can be comfortable in the knowledge that BAB will supply a superior product for your requirements.

Our customer base is across all states and territories of Australia and stretches the globe including clients in London, Singapore, Thailand, Papua New Guinea and New Zealand.

BAB ALUMINIUM LEADS THE WAY IN AUSTRALIAN-MADE, LOW CARBON ALUMINIUM SEATING

“BAB is the first Capral Customer to switch all its purchases to LocAl® Super Green, our lowest carbon aluminium offer. When we talked about it, Brian was clear about why he’s made the decision - it was simply because it’s the right thing to do - it’s great to work with an Australian manufacturer who is prioritising sustainability and responsible sourcing and leading his industry in the use of Low carbon aluminium”

Mary-Anne Inguanez,
Capral Account Manager

Plain Bench Seats

BAB Aluminium seating systems have been seen for decades across schools and parks throughout the Asia-Pacific region and today are a valued part of Outdoor furniture assets. Our Clients include schools around Australia such as St Joseph's College Sydney (Joeys), ACGS Brisbane (Churchie's), Brighton College Melbourne, Scotch Oakburn College Launceston amongst many others. BAB Aluminium seating is the yardstick for quality, affordable seating.

BAB Aluminium seating is also used extensively in theme and recreation parks in Australasia such as the world famous Sydney Taronga Park Zoo and Dreamworld on the Gold Coast of Australia. In 2018 BAB Aluminium supplied the pool deck seating at the AIS in Canberra. For our International guests, BAB Aluminium seats can be found in the US Embassy in Singapore as well as the M.V Sarpedon which is moored on the Thames River in London.

BAB Aluminium Seats are low cost, maintenance free and with normal use will provide decades of cost effective service.

Wet Areas / Change Rooms / Two Way / Specs

Swimming pool change rooms are notorious for getting your clothes wet as they fall onto the wet floors because of narrow seating. Now you can sit down with your bag and your swimming gear and you have double the room to spread out and not have your dry clothes falling onto wet floors. Perfect solution to those wet area change rooms.

The BAB double aluminium seat is not just for wet areas in pool change rooms but also the perfect seating solution for gym change rooms. Gym changerooms are always a busy place with competition for seating and space for your gear as you get ready for your workout or when you are finished and need to spread out as you get changed. Our double aluminium seats are the perfect size at approximately 500mm wide allowing loads of room for you, your gear and your mates.

Whether its a bowling club, a train station or a gym the two way ability of the double aluminium seat without the centre divider is perfect the open feel of a two sided seating solution. Your customers can sit either side, sit and store or just spread out in ease with the BAB aluminium double seat.

Available in Bolt Down, Free standing and Concrete-In our seats come in a various lengths from 1 metre to 6 metres and custom lengths are also available on request.

Double Seats

The BAB Aluminium Double Aluminium seat is the perfect choice for those situations where extra seating room is needed or where there isn't the space to install a full size platform. The double aluminium seat is the ideal choice for change rooms, sports locations, public transport stations and anywhere where extra seating and storage is needed.

Aluminium Grandstands

BAB Aluminium grandstands come with cyclone rated and engineer certified warranties for up to 20 years. BAB Aluminium is a long standing aluminium seating and aluminium grandstands manufacturer to many organisations across Australia and for overseas clients also.

BAB Aluminium supplies aluminium grandstands for council grandstands, school grandstand seating and grandstand seating across Australia for sporting clubs.

Our Aluminium grandstands are used by schools for their outdoor school seating needs, by councils for their grandstand needs in public parks and recreation areas and by many sporting organisations that require aluminium grandstand solutions. Aluminium grandstands come in standard sizes and are manufactured in custom sizes depending on the aluminium grandstand needs.

BAB Aluminium Spectator Stands make use of your existing infrastructure to provide extremely cost effective and low maintenance permanent seating for large numbers of people. Utilizing natural or man made amphitheatres, concrete or natural banks BAB Aluminium Spectator seating is custom made for your situation. Simply contact us for details on how BAB Aluminium can improve your venue.
