

Corporate Social Responsibility

BAB Aluminium Pty Ltd is a family run business in Southwest Sydney, Australia

We have a proud history of community responsibility. Notwithstanding our focus for 40 years has been supplying Australian Schools, TAFE's and Universities with high quality low-cost outdoor seating, tables, and grandstands.

We are also proud to be registered as 'Buddy Bench Australia'. This initiative is directly aimed at Bullying, Isolation and Depression in our Schools.

BAB donates to various charities such as Careflight, Canteen and the Salvation Army to name a few. Over the years we have also employed staff from Nova Employment and have taken great pride in seeing these employees successfully transition through us to take their place in their career of choice.

The aluminium we use is sourced 100% from within Australia.

Wherever possible we recycle cardboard, wrapping etc and re-use as packaging to reduce our environmental footprint.

We are proud to offer 20 Years Warrantee, Structural Certificate, and a Cyclone Rating on our products.

Our products (properly maintained) will have a life expectancy of 50+ years and are 100% recyclable at end of life.

Brian Blowes
